September 2017

Dear Fellow '66er,

The new academic year fast approaches, and with it comes lots of class activity.

- We just completed a highly successful **Annual Giving** campaign, led by Bill Lutz. The year after a major Reunion is always a tough one just because of the major fundraising effort the year before, but Bill and his many volunteers brought us through with flying colors. We raised \$360K (above our target and a new class off-year record!) with 58.5% participation. Kudos to Bill and thanks to all of you who chipped in with money and effort.

- You previously have received information about our **fall mini-reunion** in Cambridge, Maryland, hosted by Nelson Hendler, October 13-15. This is a weekend extravaganza with many outdoor and indoor activities. All details at this link: [http://www.tiger66.org/page/2017\\_01\\_23\\_Eastern-ShoreMiniReunion](http://www.tiger66.org/page/2017_01_23_Eastern-ShoreMiniReunion).

- **Harvard football weekend**, October 20, in Cambridge, MA.

The Princeton Club of New England will have its traditional "Tiger Tent at the Harvard Game" tailgate, with food and drink for purchase. There will be a special table or two for '66 to gather. The game is on Friday night at 7:30 pm. More information to follow.

- **Yale football weekend**, November 11-12. This will start with a class officers' meeting (open to all classmates) at 9:00 a.m. Saturday in the President's Room at the Nassau Club (not at Scully Hall as in previous years). There will be a University-wide Tiger Tailgate from 11:00 until kickoff on Fine Plaza. Free food and drink! Game starts at 1:00. And, as every year, Charles and Dorothy Plohn will host all classmates and guests at Plohn Hall, 162 Library Place, right after the game. Not to be missed. Beat Yale!

- **Alumni Day** is always a special event. Attendance at our class dinner keeps growing; we're shooting for a record 60 classmates at the next one, Saturday, February 24, 2018 at the Present Day Club. Jim Merritt is the impresario of the evening, which will include a featured speaker and the awarding of another Locomotive Award to a deserving classmate. And of

course the day will include many University events. Details to follow via a note from Kit in late fall.

- Still a ways off, but our **52<sup>nd</sup> Reunion** is May 31 to June 3, 2018. Mark your calendars; details to follow as soon as the University posts the necessary information.

With this letter you'll receive a second one, from our classmates who run the Princeton Prize in Race Relations. The PPRR is a magnificent and singular accomplishment by our class, and they have launched a new and worthy initiative which deserves your financial support. Please read what they have to say.

And, of course, it's time for class dues. This money supports class activities, class scholarships, PPRR, and pays for your subscription to the PAW. Please pay via the enclosed card if you haven't already.

Yours for '66,

***Kit, John, Jon, Roller, Glenn, Norm, Stitz, and Dennis***
